# Editor's Letter

Dear Everyone,

I hope that all youngsters who have been doing exams, have now finished and are enjoying a hard earned rest. Let us hope for lovely weather, in which you can all relax!

The annual Village Yard Sale was a huge success and thanks to Teresa for organising this event. Read on for further details.

I expect lots of the village residents are preparing for summer holidays. I'm sure that you will have a brilliant time. For those who are not leaving the village, there is so much to enjoy here, as I was reminded, when I met some people earlier this month, who were on a walk around the village. They were members of the East Yorkshire Local History Society and were interested in all aspects of the village.

They were commenting on our lovely Gypsy Race and when I told them that it had been without water for a long period, until recently, one of the members informed me that when there is water, that is a sign of a great catastrophe to come.....could this be the results of the EU Referendum, which by the time this newsletter is published, the results will be known?! Let us indeed hope that the waters of the Gypsy Race are not a harbinger of doom and just a legend!

An interesting article sent in by Chris Gatenby about the first meetings of the parish council in Rudston, is historical fact. If anyone else has anything similar, please send it to me as any historical fact about our village is, I'm sure, of interest to all residents.

Thank you for all the good wishes sent to Nick for a speedy recovery. Sadly, it is due to him being unwell that the Village Hall Barbecue due to take place on the 16th July, in our garden, will have to be postponed.

Welcome to any people who have recently moved into our village. You will enjoy being part of our friendly environment.

*Sue Tompkin*

## Rudston Tennis Club

With the Wimbledon championships underway just a reminder that you can play tennis right here in the Village with our 2 all weather courts and 1 grass court. Junior membership is only £5 per year and a family membership £70. If a parent wants to join just to play with their children the cost is £10 for the year( full adult membership £35). If you would rather 'pay as you play' then it is £1 per junior and £2 per adult each time you play ( please put money through letter box at Kiplington Long St.). If anyone would like some used balls to play with please call at Kiplington as we have some balls that have been used for matches.

If you would like more information about the club please ring Jane or Peter Crossley on 01262 420462. New members are always welcome and we are a friendly club playing at all levels.

## From the Parish Magazine of 1895

January Rudstone

*PARISH COUNCIL – The first Parish Meeting under the Local Government Act of 1894 was held in the Schoolroom on Tuesday evening, December 4<sup>th</sup> for the election of a Parish Council. The Rev C S Booty, Vicar, was voted to the chair. Seventeen valid nominations were handed in for the 11 seats on the Council. Four of the proposed candidates withdrew, which reduced the numbers to 13. A show of hands was then taken, which resulted in the following 11 being declared to be elected: Messrs W Bannister, W Berriman, A W M Bosville, W J Burdass, J A Coulson, Jos Cranswick, Garton, W Sedman, R Walker, Geo Wilson and W Wilson. No poll was demanded and the meeting passed off very quietly and pleasantly.*

*FIRST MEETING OF PARISH COUNCIL – The Parish Council held their first meeting on Tuesday evening, December 18<sup>th</sup>. After signing a declaration of acceptance of office,. They elected the Rev C S Booty, Vicar, Chairman of the Council; Mr Bosville Vice-Chairman and Mr Danby Clerk. The appointment of a Treasurer was postponed to the next meeting, which was fixed for Tuesday, January 15<sup>th</sup> next. A small Committee was appointed to draw up “Standing Orders” for the regulation of the Council’s proceedings.*

*Mr Bosville and Mr Geo Wilson have been elected, without a poll, to represent the Parish on the District Council.*

.....

Who were the people mentioned? I looked at the census entries to try to find out something about them. In some cases I couldn’t be sure I was looking at the right person and in some I couldn’t find anything at all.

Mr Booty was of course the Vicar. Welbourn Bannister was tailor, draper and grocer. I could not see a Sm Berriman, but there was a Wm Berriman, who was head gardener at Thorpe. A W M Bosville was a gentleman of Thorpe Hall. W T Burdass was a farmer of Manor House. Jos Cranswick was a farmer of Eastgate House. No Christian name is given for Mr Garton, indicating that he was the only Mr Garton of that name. I have found John, Edward and Wm Garton, all farm workers. John and Edward both lived at Long Street Cottages. Wm Garton worked at Glebe Farm. Wm Sedman was a labourer of Nightingale Row. Geo Wilson was a farmer of Rudston Grange. Wm Wilson was a farmer of High Caythorpe and was my husband John’s Great grandfather. Mr Danby the Clerk was a farmer of Glebe Farm.

Chris Gatenby

On 7<sup>th</sup> June, the Rudston WI meeting was attended by 20 members, at Rudston Village Hall. In Melissa Raven's absence, June Sellers welcomed everyone. Unfortunately our speaker was unable to attend the meeting.

Our competition was themed on a snow scene. First prize was won by Ann Harrison, 2<sup>nd</sup> Kathleen Thornton and 3<sup>rd</sup> Valerie Walker, the raffle was won by Gloria Traves. Congratulations to you all.

At the meeting we discussed items from the WI newsletter.

Our next luncheon club will be on 21<sup>st</sup> June in Flamborough. If you are interested in joining, or would like to come along as a visitor you will be made welcome.

Our next meeting is on Tuesday 5th July.

For further details contact Sue Dawson Tel: 01262 606153

At the time of writing we have sold 80 tickets for the Soiree at Thorpe Hall so are hoping for a fine night ! We are very grateful to Somerled and Charlotte Macdonald for hosting this event and thank everyone for their help.

The committee will be serving tea and cake at the Fun day at Thorpe Hall on the last Sunday of August. If anyone would like to bake a cake for us please contact June Sellers who will willingly collect it. This event is growing in popularity and there is always something for everyone so we hope to see you at our stall to serve you some refreshments (which are sold in aid of Church funds).

Have a lovely Summer and thank you for your continued support.

June Sellers . (Social secretary for All Saints P.C.C.)

## **Defibrillator Update**

We have been successful with a bid to the Lissett Wind Farm Fund for part of the funding of a defibrillator for the village. The remainder of the funding will come from repurposing unspent Local Grant money (mostly from money set aside for clearing snow in previous years).

The defibrillator will be sited in the old telephone box on Middle Street. As part of the installation of the defibrillator, there will be a training course, open to all residents, on how to use it. The defibrillator will be in a secure box which will need a code to get in. This code will be known to the 999 service, so when anyone calls an ambulance, they should inform you of the code to access the defibrillator.

Given the distance to A&E departments from Rudston, this could be a life saver for anyone who has a heart attack.

## **Parish Clerk**

### **Rudston and Burton Agnes Parish Councils.**

The vacancy for a Parish Clerk for the above Parish Councils is still open. The job is mainly home based, and is currently estimated at requiring around 4 hours per week. The hours of work are flexible, with the only fixed requirement being to attend the (roughly) six weekly Parish Council meetings for Rudston (and less for Burton Agnes).

The ideal candidate will have administrative skills and be comfortable using the internet, email, Word and Excel.

Anyone wishing to apply for the position should contact Neil Watson on 420848 or [neiljw51@gmail.com](mailto:neiljw51@gmail.com) .

## Yet Another Piece of Local History

Hello,

I live in West Sussex and am currently on holiday staying in the North Yorkshire moors. We motored over to Rudston today as we are aware of our family living in Rudston at one point in the past.

The Ancestor was Robert Walker b 1795 in Westow but married Ann Ringtose in 1821 in Rudston. Their first child was John Kirtley Walker b 1822. I know they lived in Rudston but do not know where.

The reason for this note is to ask if anyone locally has any idea of a connection to the name Kirtley? This was the first time it appears in our family tree and I have no idea from where it arises. The obvious would be a maiden name... but not so!

Kirtley has been passed down in the family as a middle name since then and I would dearly love any Rudston thoughts on the subject.

Gwendoline Kirtley Wright

I Hope someone can let this lady have some information about the name Kirtley. Sue

### **Rudston Yard Sale**

On June 5th, the annual Rudston Yard Sale took place. Thanks to everyone for taking part. It was a lovely sunny day and we made £383. 50 for Village Hall funds.

Thanks to Shirley, Fiona and Pat for cooking and also Bernard and Doug for their help too.

Teresa.

### ***Village Bingo***

The proceeds of the village bingo from August for 12 months will be shared between the newsletter and the playing field. Many thanks to all who organise and support this important fund raiser.

# Crosslands Column

In writing this at the same time as considering the parish council meeting, there is little to say at the moment, but we do have a pretty full agenda. The good news just heard was the success of the funding for a defibrillator. There will be a separate notice in this issue about that. Also the donation from the Lions organisation was duly received. A heavy duty table & seat for the children's playground was the agreed purchase with the money, which may be already in place. May I take this opportunity to thank the Lions on behalf of the village.

That of course was to mark the Queen's 90<sup>th</sup> birthday. Other villages have gone in for much more elaborate celebrations, but a supplier to parish councils was reduced to offering bunting etc. at half price at the beginning of June so maybe we weren't the only ones not to go overboard.

It seemed a little strange to be sending off the accounts information while "the books" were still elsewhere, but just a reminder that they are available to view until 15<sup>th</sup> July at the home of the chairman. The main account is on the website as approved by the "internal auditor", but officially it remains "unaudited" until we receive final approval from afar. It can be confusing, and this year we had an "Annual Governance Statement" to deal with. That was in the form of a tick-box exercise undertaken at the last meeting and passed with flying colours naturally!

Just a comment on the fracking issue. Now that Kirby Misperton has been approved there is a possibility of more local plans coming up, unless they wait for any problems there to become apparent. After all, there is a zoo full of animals who will surely feel any tremors long before us. It makes you wonder if the choice of site was deliberate for that reason. Let's hope Flamingoland staff are on high alert!

After the notice about library service changes last month, we were informed of "Drop-in Sessions" to be held at various times and places in the area. Anyone who saw the poster would see that a Bridlington one took place in June, but there is one in Driffield still to come. That is to be held on Thursday, 14<sup>th</sup> July, from 1 to 4 p.m. at the "Driffield Centre", Cross Hill. (That's the new name for the refurbished building which ironically used to be just the library).

Continued on page 10

From page 10

The next parish council meeting will probably be 24<sup>th</sup> or 31<sup>st</sup> August, but please look out for the agenda notice nearer the date if interested. Actually, dates of meetings is a subject likely to be raised at the June one. Rudston has usually only decided on each one at the previous one but other, particularly larger councils, have them timetabled a year or more in advance. Obviously this will be something for my eventual successor to tackle, but dates could be set for the rest of this year if necessary.

There would still be the possibility of calling extra meetings in the event of especially urgent (and/or controversial!) matters arising.

Phillip Crossland

(Please note that any opinions expressed in this column are not necessarily those of the Parish Council)

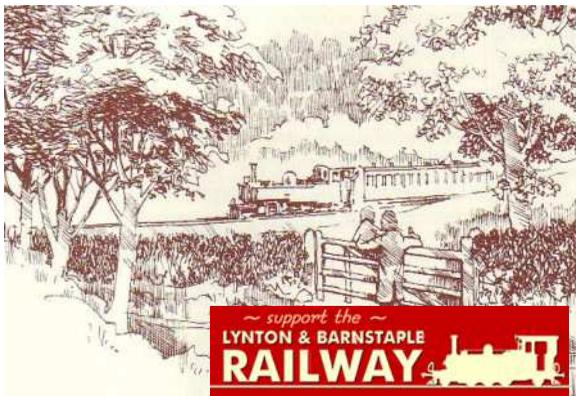

### Premature Obituary?

I'm sure we were all very sorry to read the obituary notice on the back page of the June newsletter. We were aware that Common Sense was no longer to be seen in some parts, especially where it would be most welcome, but rather hoped that it lived on elsewhere.

It reminded me of the 1930s Devon vicar, who when faced with the closure of his beloved local railway line, composed a notice which was displayed on the final train: "Perchance it be not dead but sleepeth".

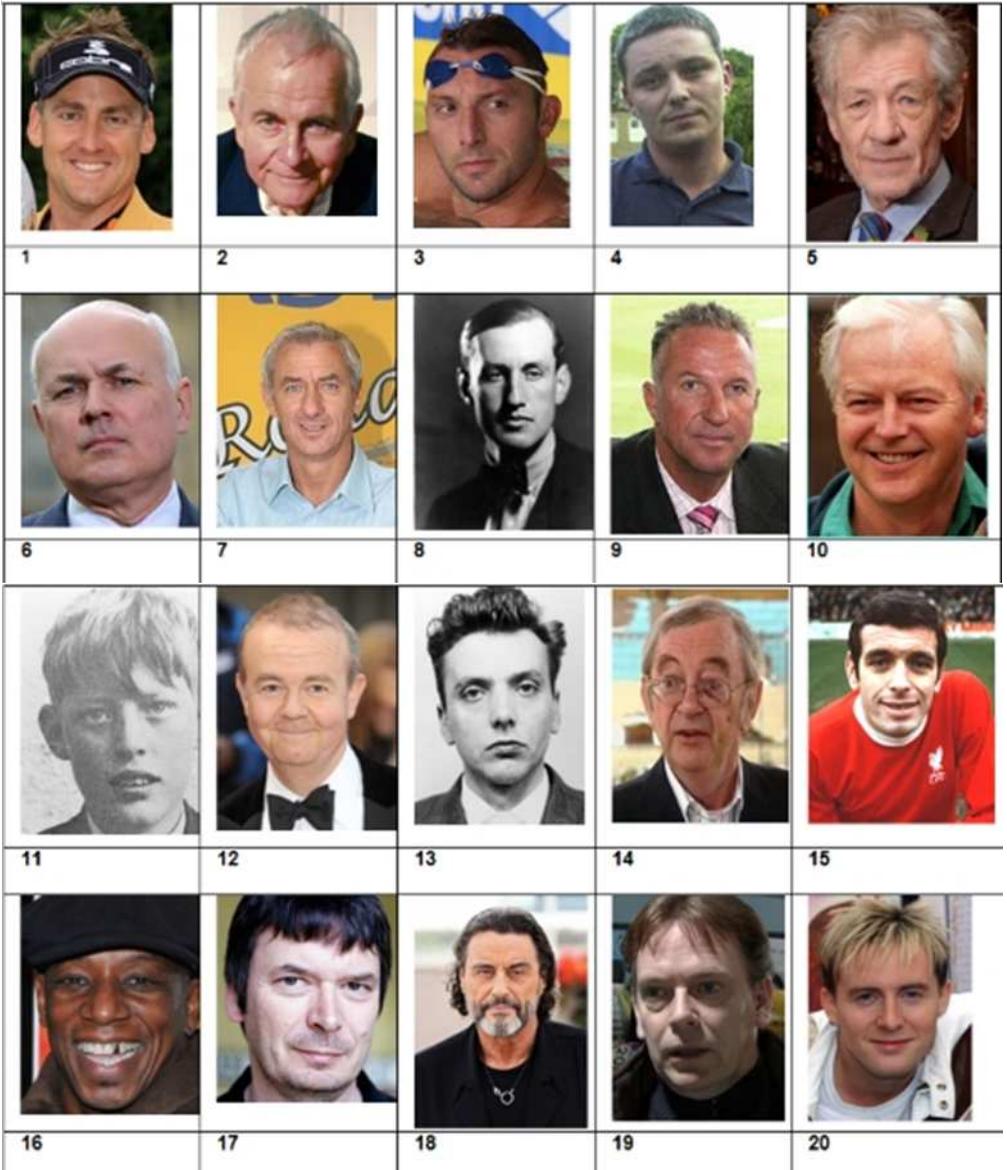

A short section of the Lynton & Barnstaple line has indeed been re-awakened. Perchance Common Sense may be likewise?

Phillip Crossland
