## *Editor's Letter*

Dear Everyone,

May I offer a warm welcome to anyone who has moved into the village this month.

Thank you once again to all the contributors, without whom there would be no monthly newsletter. Thank you also to Shirley Harland who does an excellent job of proof reading all the pages. I have an apology to make both to her and the band of lottery volunteers. In the last Newsletter, I meant to say that they always have a cheery smile and Shirley pointed out that I had written "cherry smile". I thought that I had corrected the word, but saw to my dismay, after printing that it read "cheesy smile". Sorry...this word has a rather derisive tone and although I would prefer to blame my spiteful computer.....alas, it is me!

It is wonderful to see the cows in the fields once more and in the words of Bob Overfield from the farm, "We are welcoming ten young ladies, with their chaperone and also their escort into the heart of village".

Many will remember the poignant memories of an old soldier of our village, during the second world war. Fred Leary has sent me a leaflet which he has written, entitled "60 Days in Normandy." It makes extremely interesting reading. If anyone would care to read it, please ring me and I will lend it to you.

I would like to wish Andrew Archer and his family well with the hearing date on May 2nd, for a licence to open the Bosville Arms.

An ex editor of the Rudston Newsletter, Martin Frankish, has written his thoughts about the pub in a letter in this issue.

Finally, best of luck to all the youngsters in our village who are undertaking tests and exams, in the next 2 months.

Dear Editor

I recently went to the recycling bins in the village and found a sack of rubbish dumped there.

I brought the sack home and sorted things out. There were some plastic bottles, which I washed. This was not unpleasant with the shampoo bottles, but the milk bottles which had been left unwashed in the sun for a while were a bit smelly. There was paper, glass and cardboard. There was a button battery, which worried me most because if it had been swallowed by an animal, it could have caused serious problems.

I took the recyclable rubbish back down and put it in the appropriate bins. These are clearly labelled and it is not difficult! The things which could not be recycled I put into my dustbin. I think the person concerned will have one of these too.

A great many people manage to recycle some of their rubbish. They are happy to take a few minutes to do this, knowing that it benefits the environment and the community. Recycling makes a nice income for the village – it was £480 for the 12 months to the end of March. It's sad that some people cannot be bothered and would rather dump their rubbish.

## **Parish Meeting**

*Hear what the Parish Council has done in the last year.*

*Tell us what the Parish Council got wrong in the past year.*

*Tell us what the Parish Council got right in the past year.*

*Tell us how life in the village could be improved.*

If you have views on any of these, the **Parish Meeting** is the place to be – **Thursday 8 May at 19:00, Rudston Village Hall.**

Anyone resident in the parish can ask questions of the Parish Council. We expect that County Councillors Owen and Evison will also be present and willing to answer questions.

This is a chance to make your voice heard.

Neil Watson

Chairman, Rudston Parish Council

# Crosslands Column

The meetings in the Village Hall on 8<sup>th</sup> May are causing confusion. The one at 7 p.m. to which everyone is invited is the Annual Parish Meeting. As commented in previous years this is the one which has rarely attracted much attention in Rudston. This year, with the added attraction of two East Riding of Yorkshire councillors, we hope will be different! The main content is the parish council chairman's Review of the Year, in which he will run through village highlights of the last 12 months in relation to the parish council. Anyone is then free to question or comment. That includes parish council members, who are simply "members of the public" for this one.

That is to be followed immediately by the Annual Parish Council Meeting. The only difference between that and an ordinary parish council meeting, is the need to elect (or re-elect) a chairman and vice-chairman, as those two posts are one year only. Consequently, although anyone who is interested would be welcome to stay for that, you would then only be allowed to speak by special invitation of the chairman, usually if you had particular knowledge of an item under discussion.

Anyway, come along on the 8<sup>th</sup> and we will see how it all works out!

The results of the Eastgate traffic survey will be printed elsewhere no doubt. The parish council, when it was made aware of the complaint, was doubtful of any real speeding problem there. That has been proved, with only two vehicles per day recorded at over 30 mph. over the week of the survey.

Though, how one of those managed 40 mph is beyond me. In this case literally, “there is always one”.

Further to the comment about notice boards last month, may I apologise in advance if anyone else’s notice gets covered up. We are legally obliged to display some notices, and apart from those connected with the above meetings, dates regarding parish council accounts are now to hand. “The books” are to be available to view at the home of the chairman (newly re-elected hopefully!) Mr. Neil Watson from 9<sup>th</sup> May to 6<sup>th</sup> June. (In practice, that will be more likely from 12<sup>th</sup> May).

Things are moving at the Bosville at long last. The licence application for long opening hours and live music rather alarmed some people, but it is expected that will be in order to cover occasional special events. The owners will let everyone know their intentions via the newsletter in due course no doubt, but the parish council supports the application.

No election has been called after notice of the parish council vacancy, so it will now be filled by co-option at the appropriate part of proceedings on 8<sup>th</sup> May. The member who stood down was Fiona Turner, but she assured the parish council of her continued support, for which it is grateful.

Finally, a notice which was unfortunately omitted from last month’s newsletter:

“Sue Ezard would like to say thank you for the help with daffodil bulbs to Trevor Smallwood, John McKie, and Teresa Blofeld”.

For the April meeting, Keith Dalby, entertained us with tales from his life as a vet. We saw slides of various operations. Then Keith showed walks that he and his friends enjoy in the Lake District, Wolds Way and the Dales.

Keith judged the competition, which was to produce a photograph of a pet. He was thanked for a very enjoyable evening.

Our monthly Luncheon Club was held at Manor Court, Carnaby, where 18 members enjoyed a lovely meal and a good chat.

The next meeting is to be on May 6th, when the Reverend Shelagh Jones will talk about "The Ministry Behind Bars". If you are interested in joining our WI or would like to come along as a visitor, you would be made very welcome. For further details, please contact Jenny Herring 01262 420720

The WI is celebrating its Centenary next year. A relay baton has toured parts of the country, attending every WI in the country. Members from the Rudston WI , together with friends and families, will be able to "pass the baton" at Kilham Village Hall on Saturday May 17th. We will have a picnic at lunch time and the baton will leave at 2pm to be taken to Tickton, via various modes of transport.

Watch the local press for news.

## **From the vicarage,**

I write this in the week following Easter Sunday and things now seem a bit quiet. I know Rudston folk are interested in history and every Sunday has some history/significance to it; so what can we say about the one after Easter?

Years ago the Sunday after Easter Sunday was known as 'low Sunday', probably a reflection of this quiet feeling after the great festival of Easter. Easter in the past would have had an extra dimension and celebration than we are used to in that new converts to Christianity would have been baptised at Easter after a long and gruelling preparation. This gives us a clue to what's behind another name for this Sunday '*Dominica in albis depositis*' (Latin for something like; the Sunday of putting away the white robes). New converts would have worn white gowns for their baptism which would have been hung up and set aside in church on this Sunday. The white gown I wear for services is still called an alb. There is at least one other name for this Sunday: Quasimodo Sunday! The words quasi modo come from the line of a hymn that used to be sung on this Sunday at mass (*quasi modo geniti infantes....*) which takes its cue from the bible verses in 1 Peter 2:2, which reads, "Like newborn infants, long for the pure, spiritual milk, so that by it you may grow into salvation." Quasimodo rings a different bell for most of us and this was the Sunday on which an abandoned baby was found (and named after) on the steps of Notre Dame cathedral; known to us as the 'hunchback of Notre Dame' (fictional of course from Victor Hugo's book).

In the Church of England we now call 'low Sunday' simply the second Sunday of Easter: not quite got the same ring to it as *Quasimodo Sunday* has it!

**With every Easter blessing,**

# Gardening Corner

Sowing and planting is at full speed this month, the tender plants such as marrows, pumpkins and ridge cucumbers must be well hardened off, as there is always the problem of a frost, but it's worth a risk. Some gardeners buy vegetable plants ready for planting out, leeks, onions and most of the large cabbage family, others like to grow their own. I sow main crop leeks now also a few swedes, although most growers would recommend leaving swedes until June or even at the week of the Driffield Show. Feeding tomatoes with a balanced liquid mix is vital to allow the full benefit of the light intensity, which means a clean glasshouse roof and sides.

My rhubarb patch gets less each year, it's 17 years since I started with a disease free, Timperley early variety, but these last few years roots have rotted off, even on new beds. A friend of my suggests it's due to virus, the usual answer, even to some of our own conditions!! Rhubarb likes an acid soil, so no more feeding with Nitro-Chalk fertiliser on our Rudston chalky soils.

All potato varieties should be planted by now, also French and runner bean seeds, I like to start the runners in 3" pots ready to put out in early June. Wallflower, Sweet Williams in fact most biennial flowers are sown now. Dahlia tubers planted with about 4" of soil on top. Sweet Pea plants can have their tips pinched out to encourage the flower buds.

There is plenty of work for the keen gardener, weeding, feeding and tying shoots, never a dull moment.

Dick Robinson

Dear Editor

It was very much a surprise to hear that the Licence needed for the re-opening of The Bosville Arms Country Hotel in Rudston was declined. I am of the understanding that there were several objections made by some people living in the village, however, some have now been withdrawn, and hopefully, the licence will be granted at the hearing scheduled for 2<sup>nd</sup> May. How short sighted can some people be though - a lack of local amenities has a negative effect on property values. The Bosville may offer youngsters in the village an opportunity of employment, as it has done in the past.

From talking among friends and comments made on several Facebook pages, the greater majority of people support the new owners, and wish them every success.

There have been public houses in the village for years, serving the community, and the loss of the last one, the Bozz, as it is affectionately known, was felt by many locals, and ex-locals alike, such as myself, a resident in the village for 10 years. The Bozz was once a hive of activity, and only closed because of the landlord's failure to run what was once a successful business in an environment he was not totally comfortable with. Villagers met there each week to socialise and take part in playing Darts, Dominoes, and Pool. They went there with family and friends to enjoy a quiet drink and a natter, or to eat in the small but cosy restaurant area. Even the occasional wedding receptions and birthday parties were held there. There were regular entertainment events, including the very successful Rudstock in the two years it was held.

The new owners have spent thousands of pounds, and well over a year, turning the run-down Bozz into a modern, but traditional, family pub and restaurant, only to have its future jeopardised by a few ill informed objectors. I, one among many, will be keeping my fingers crossed for Andy and his family that they will soon be open for business, even though they were unable to open in time for one of the busiest weekends of the year; a fact that I am sure will have lost them several thousands of pounds in takings.

Martin Frankish (Former Rudston Newsletter Editor)

In last month's Newsletter, I remarked on the wonderful daffodil displays in the village and in fact the front cover had a photograph showing this. I received the following letter from one of the workers and I would like to say a big thank you to this team. Editor.

**“The Display of Daffodils, in the Village...”**

It is due to the hard work of Trevor Smallwood, John Mckie, Sue Ezard and Teresa Blofield who joined this year.

We plant them in November and it can be cold and wet. This has been going on for some years. The village gets the bulbs from East Yorkshire Borough Council.

So we say thank you to East Yorkshire Borough Council.

## **CALLING ALL ASPIRING TENNIS PLAYERS - NEW MEMBERS OF ALL AGES AND ABILITIES WELCOME**

New members are always welcome whatever their ability. We run social sessions, teams of different levels (seriously competitive or social!) or you may just want to play as a family. If you are new to the village or just fancy taking up tennis again come down to the Playing Field and join in. Club sessions are Friday evenings 6.30pm onwards and Sun mornings 10am onwards. Please ring Jane or Peter Crossley on 01262 420462 in advance to make sure there will be other people there or if you would like to have a knock about before committing. Mens matches are played on Thursday evenings and mixed matches on Tuesday evenings. Days for Scarborough league matches vary but a lot of games are generally on Monday or Friday evenings or Sunday afternoons.

We have a Facebook page for anyone who is into Facebook.

The subscription per year is £35.00 adult, £5 junior (under 18y), £17.50 student and £70 family - 2 adults and up to 4 children under 18y. These represent extremely good value when compared with other clubs in the area, especially given the year round facility. If you would like any further information please contact Jane Crossley. The courts were resurfaced in the Autumn thanks to a grant from Biffa Award, East Riding of Yorkshire Council and Rudston Parish Council. They will be repainted in two tone green as soon as the weather allows.

If there is sufficient demand we can organise junior coaching in the summer holidays. If you would like individual/small group coaching this can be arranged too.

The teams had mixed fortunes in 2013.

Driffeld league:

Mens A team finished second in Division 3  
(gaining promotion to Division 2)

Mens B team finished mid table in Division 7

Mixed team finished mid table in Division 3

The Scarborough League team finished top of Division 2

The beginning of season social morning will take place on Sunday April 27<sup>th</sup> starting at 10am. All are welcome to join in.

# *Bosville Arms*

Firstly, we would like to introduce ourselves, Andy, Nicola and the boys Harley 9 and Harrison 2.

Finally, after a full refit the Bosville is ready to re-open its doors. As many of you will know, we were due to open for the Easter weekend, however, this was not possible due to objections regarding the premises licence. We were very disappointed as this would have been a great start to our new venture. However, the support we have received from the people of Rudston far and beyond has been overwhelming and makes us more determined than ever to get the doors open.

The opening times for the Bosville will be;

Mon-Thurs 12noon -11pm

Fri and Sat 12noon -12midnight

Sun 12noon-10pm

We will be offering home cooked food, beverages, accommodation, functions etc.

May we take this opportunity to point out that we take our position very seriously, regarding causing any of our neighbours or anyone in the community of Rudston any upset regarding loud music, whether it be at 2pm or late at night. It is our responsibility to ensure everybody is happy and we hope to work together to achieve this.

Our hearing date is scheduled for 2<sup>nd</sup> May and this will give the objectors an opportunity to voice their concerns and hopefully we will be able to reach a resolution.

We would like to thank everybody for their support, it's been absolutely fantastic and we look forward to seeing you all at some point in the near future.
