Editor's Letter

Dear Everyone,

I hope that you have all had a lovely summer, even though for most of us, it has been at home. However, as we all seem to agree, we live in a delightful part of the country and the myriad of photos on the Rudston face book page, will attest to this.

Thank you and well done to all the villagers who collected the vast amounts of litter which had been deposited on the roadside, by thoughtless and rude individuals.

Nick and I celebrated our Golden Wedding anniversary earlier this month and had a brilliant weekend with the family. We hired a hot tub, which everyone thoroughly enjoyed....quite late into the evening, so I apologise to our neighbours who may have been disturbed by all the loud frivolities!

A big thank you to all those people who are working tirelessly in the renovations of the pub. I hope that a new tenant is employed quite soon and then we can look forward to the opening, which I'm sure will be arranged with all the safety precautions in place.

The committee of the village hall, will be meeting quite soon . It will be an outside meeting, as was the Parish Council Meeting. We have been given money from the government, so we will be discussing how this should be spent.

I hope that all those youngsters in the village who have received exam results are feeling happy and looking forward to the opening of schools. Good luck.

Welcome to any new comers to the village. When these difficult times are over, it will be possible to see all the different activities which usually happen in our village.

Thank you to all the news letter deliverers and also to everyone who continues to help villagers who require assistance, during these challenging times.

Brown Caddy Bin Liners are once again available from my front door at Northside House East Gate. They are also available from the Recycling Centre at Carnaby

Church News

Vicar: Rev Glyn Owen (01262) 420313
Reader: Mr. John Walker (01262) 603170
Rudston, Boynton, Carnaby, Kilham, Wold Newton,
Burton Fleming, Grindale and Fordon.

Dear Friends,

Things are starting to move on the church front. In the last few weeks I've done a wedding and a baptism and have got more in the pipeline. Next year (God willing and vaccine success) will be a bumper wedding year from all the 2020 postponed ones.

We are continuing our Zoom services on a Sunday and mid-week but also are starting real life services. (still no singing unfortunately and masks needed unless you're exempt)

On Sunday 6th September at 9.30am we will have our first service of Holy Communion since lockdown began. Unfortunately, that will be it for the month as we have some planned work starting. We should be back up and running in October (watch this space)

Like many other organisations (and families) our church finance have suffered during the last few months. I needn't have worried. Folk have been so generous offering gifts and other wonderful support:

You may notice the old oil tank at the front of church has gone. Huge thanks to Hall bros. who generously disposed of it for us. In its place you will soon see a nice bench (great place to sit and take in the view)

One little gang deserve a special mention for their excellent fundraiser. Many of you (130 or so!!) had one of the delicious afternoon tea boxes pulled together by star bakers, Elsa, Daisy, Chloe, Jessica and Michael (and their mum's too! Fiona, Nicola, Liz and Natalie). I know others of you so kindly helped and gave as well. It was a magnificent effort, huge success in every respect. So massive thanks to all involved. I owe you one big style!

Things change quickly these days so if you need up to date information on what's happening in our church at Rudston, or any other church, please check out the Church of England's web page: A Church Near You: <https://www.achurchnearyou.com/>
Every blessing Glyn.

I have been asked if I could find the background about the cover photo on last month's newsletter, which was sponsored by Thorpe Hall Estate.

Somerled has furnished us with some fascinating family history.

The Galley is part of the Macdonald of Sleat family crest....the picture I sent was the original wind vane for the top of dove cote; some background....

"Although the story of Clan Donald began long before the immemorial timeline, their history can be traced from the 12th century BC through a warlord named Somhairle MacGillebride MacGilladamnan (Somerled): head of the ancient Race of Conn and lineal heir of the Dál Riata, the Kingdom of the Scots. Half Viking and half Celtic Irish, Somerled held the unique position as overlord of the Kingdoms of Scotland and Norway which later emerged into the Regulus, or Lordship, of the Isles. Through marriage to the King of Man (Olaf the Red)'s, daughter, cunning and belligerence, Somerled seized the Kingdom of the Isles from his brother-in-law in 1156 and expelled the Norsemen from the Western Isles.

A simple rudder was one of the main reasons for Somerled's successful command of Scotland's north-western seaboard. He favoured the Hebridean Galley, a clinker-built vessel based on the Viking longboat, powered by oars and sails. What made this galley different from the longboat was the addition of a stern rudder which rendered the craft fast and manoeuvrable, perfect for raiding and transporting goods and men. These boats were instrumental in the MacDonalds command of the Hebrides until the coming of the mounted gun in the late 16th century"

Although we have not been meeting in the traditional way News letters from the Federation have been delivered to each member on a regular basis since our last meeting on 1st March. Those members who felt able and comfortable with safe distancing met at Rudston House for a tour of the beautiful gardens belonging to Angela and Simon Dawson.. After a dull start the sun came out to extreme heat and we were able to enjoy all that the garden had to offer for just over an hour. Vice President Hazel Conner introduced Angela Dawson to the members and welcomed them too. At the end of the visit Margaret Reed gave a vote of thanks.

Some members then went to Hazel's garden for tea ,cream scone and cake .Everyone really enjoyed being out and about in safe surroundings and were pleased to chat to each other again. As all raffle tickets were sold £30 was sent to the National federation and we all hope to be a lucky winner of £10,000!!!!

We so enjoyed the afternoon on 6th August that it was suggested that we could go to Carol Skelton's garden for tea and scones. That has now been fixed for 1st September (our usual meeting day) and all members are invited along for 2.30 p.m. I already have 9 confirmed names. October is usually our A.G.M. month but no decisions have been made about this yet.

The August /September news letter has just arrived to me and will be distributed on 1st September or thereabouts.

We were sad to hear the news that the W/I. College - Denman College has - ceased to operate .

North Wolds Lions Club

The new President, Paul Richardson , was awarded with his chain of office at a safely distanced meeting of the Lions at the grounds of Manor Court . .No further meetings nor fund raisers are planned yet.

Your Village Rep. Mike Sellers 01262 420237

We have not been able to meet and have no plans for fund raising at present.

We are very grateful to all the young people who are making afternoon teas to order as I write to-day. It is a fantastic effort in aid of Church funds and shows great initiative and promise for the future. THANK YOU ALL VERY MUCH. I'm sure everyone will enjoy their tea.
June Sellers (Social Secretary)

The Bowls season commenced belatedly in July. After it was found that games could still be played almost as normal, and in the absence of league games, it was agreed to open for social bowling on Wednesday afternoons echoing Winter indoor practice. Social distancing while social bowling? Not quite, but guidance was received from the national body, which like the government rules are probably best taken with a sprinkling of common sense. At least it was confirmed that face masks are not required.

RUDSTON BOWLS CLUB

Also all club competitions are taking place with Finals Day set for 6th September. Guidance on spectators leaves it to individual club's discretion, so maybe we can just say if it's a nice day you can come and sit on the grass!

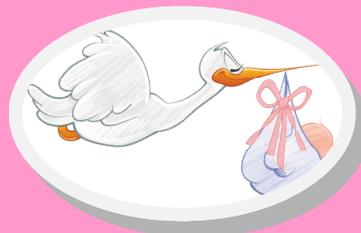

The Triples competition for which teams are drawn on the day was unfortunately cut short by rain, but not before likely winning teams had become evident. Those two will now play the final re-scheduled for 30th August.

The 6th September may or may not spell the end of this shortened outdoor season, but a list of competition winners should appear next month.

Paul is pleased to announce the safe arrival of a granddaughter, ENOLA to Michelle and Callum Wood on 21st August 2020

As many of you will know, John Rawlings has been seriously ill and spent much of lockdown in hospital. I am so pleased to report that he is now well and sounding really cheerful. He thanks everyone for all their good wishes.

"Bosville Arms update"

The electrical and pub heating system work is now complete, the new fireplace is almost done and the new windows have been fitted to the toilet block.

Work has started on the new disabled access and toilet facilities.

Interior and exterior painting will begin very soon once all the prep work has been completed.

Thank you to all the volunteers and contractors who have worked to get us to this point. We have had a number of enquiries for the tenancy which is very encouraging.

CATTLE PLAGUE

Can anyone help with a project investigating the cattle plague (rinderpest) of 1865 – 1866?

Hundreds of thousands of cattle were slaughtered and regulations required that they were immediately buried in the field where they had been killed – bur-

ied six feet deep, in the hide and covered with quick-lime.

The project seeks to locate and investigate some of these farm burials. The researchers are using local archives and records and are also keen to find information from local communities. There may be hints in field names, or possibly family stories. The plague had such a devastating effect on farmers that several erected memorial stones to their cattle, and some of these are still known.

Parish Council Vacancy Filled

The recent vacancy on the Parish Council which was advertised on the local notice boards, on the Rudston Parish Council website and also in Driffield & Wolds Weekly newspaper, has now been filled. We are pleased to announce that Mr Richard Todd was co-opted as a member of the Parish Council at the last meeting.

Clothes Recycling Bin

Following several calls to the providers of the Clothes Recycling Bin situated in the parking area opposite the playing field, this has now finally been removed.

Parish Council Meetings

Due to the situation with the Coronavirus pandemic, and following current legislation, Parish Council meetings planned for the remainder of the year have been cancelled. Meetings will now take place on a less frequent basis and will cover only essential items for discussion.

Communication between councillors by correspondence will continue for items requiring immediate attention, so we can provide continued support for our community as best we can in these unprecedented times.
