## Editor's Piece.

**Hello and welcome to this month's newsletter**

Firstly, many apologies for not producing the newsletter in September, everything was prepared and written then we had a technical hitch which no one could have foreseen and we were unable to print it. A lot of work and time for all contributors including myself wasted , but never mind we're back on track now!

I want to ask everyone who reads the newsletter to consider letting me have any news or thoughts , interesting topics or basically anything which you think may be of interest to other readers. Please email me on [rosemitch@live.com](mailto:rosemitch@live.com) or telephone 01723 586475 or pass on to Shirley Clark , Dunmilken, Eastgate Rudston by the **19th** of each month please.

The village has a varied amount of activities available to everyone , including Youth Club, Tennis Club, Bowling Club , Village Hall with many events. The Church continues to organise events all through the year. The Harvest Festival at church will be held on the 4th October followed by an Art Exhibition on the 7th of Local Art. The Youth Club (VPER's) are having a Table Top Sale on the 7th October, please come along and support these events, it won't take up much of your time and you may meet some new people and enjoy yourself too.

I wish you all a happy October

# Announcements

**Hazel Connor** sincerely thanks all relatives, friends and neighbours for their help and support during Joan's illness, also for their kind expressions of sympathy, letters, cards of condolence and donations received during her bereavement. A special thank you to Rev. Glyn Owen, John Walker, Dick Robinson and the choir for a wonderful service.

I'd like to say a warm thank you to neighbours and friends for their kind words and get well cards during my illness and hospital stay and recent return home.

**Paul Wood**

## **Rudston Film on DVD**

Some years ago I made a video film on Rudston which was presented and narrated by Yorkshire Television presenter Gaynor Barnes. This film has now been digitally re-mastered and has one or two alterations such as a feature on our present vicar, The Reverend Glyn Owen, and some of the alterations to the Village Hall.

It is now available on DVD with a newly designed cover and priced at £7.95 with a percentage from each sale being donated to Rudston Church funds. Copies are available by ringing 07568314328

## **Rudston Tennis Club News**

What a wet season we have had this year with numerous matches being postponed, some more than once and Friday night club sessions often a washout!

However we were lucky with the weather for the junior coaching with Jerome Lebatard. 8 children enjoyed 4 fun sessions of tennis coaching. Jerome is available for individual or group coaching, adults or children – if anyone is interested I can let you have his contact details.

The teams had mixed fortunes in their respective leagues. The mixed team came 2nd in Driffield league division 4 so move up to 3 next year. The Mens A finished mid table in division 3, the Mens B sadly finished bottom of division 6 so will be relegated to division 7 and the Scarborough League team finished bottom of division 1 so will be relegated to division 2.

Friday night club sessions continued until it was too dark but Sunday morning sessions will continue throughout the year weather permitting. If the Olympics has inspired you to get more active come and give it a go – new faces are always welcome. We can offer a reduced price winter membership or if you only want to play a few times you can pay a visitor fee of £2 per adult/ £1 per child per session.

Thanks to the Lissett Community Wind Farm Fund and the City Health Care Partnership CIC we were able to purchase 3 new durable nets that are a great improvement on our old ones that were coming apart and had holes in them.

## RUDSTON BOWLS CLUB

The indoor bowling sessions of Rudston Bowls Club will begin at Rudston Village Hall on Wednesday, October 3rd at 2pm.

The Annual General Meeting will be held at Rudston Village Hall on Monday, October 8th at 7pm. Could all present members and anyone interested in joining the club please come along.

Kathleen Thornton (Sec.)

### FAMILY HISTORY

Is anyone in the village interested in village history? I believe that some relatives of mine lived in this village in the 18th century.

Rachael Slater married Thomas Jennison not sure where or when. I think Rachael was of the parish of Rudston. She came back to the parish when Thomas died aged about 74 in 1824 and Rachael I think went back to Rudston on poor relief.

Thomas seems to have been a blacksmith apprentice to John Walker.

The Jennison's did live for sometime near Robin Hoods Bay.

If anyone could give me more info about the Slaters or Jennisons in Rudston it would be very helpful.

## Chocolate Cloud Cake

250g Dark chocolate 70% cocoa solids	<i>for cream topping</i>
125g Unsalted butter softened	500ml double cream
6 eggs 2 whole 4 separated	1 teaspoon vanilla extract
175g caster sugar	1 tablespoon cointreau
2 tablespoons Cointreau (optional)	$\frac{1}{2}$ teaspoon unsweetened cocoa powder for sprinkling
Grated zest 1 orange	
23cm springform cake tin	

Preheat oven 180c degrees / Gas Mark 4

Line the bottom of cake tin. Melt the chocolate, then let the butter melt into it. Beat the whole eggs, and 4 egg yolks with 75g caster sugar, then gently add the chocolate mixture, the Cointreau and orange zest. In another bowl whisk the 4 egg whites until foamy, then gradually add 100g of sugar until the whites are holding their shape, lighten the chocolate mixture with a dollop of egg whites then fold in the rest of the whites. Pour into tin and bake for 35-40 minutes or until the cake is risen and cracked and the centre is no longer wobbly. Cool the cake in its tin on a wire rack, the middle will sink as it cools.

When ready to eat place on a cake stand or plate carefully remove from tin. Don't worry about cracks or rough edges its a crater look we're going for here. Whip cream adding cointreau and vanilla whisking until cream is firm. Fill the crater of the cake and sprinkle with cocoa powder.

**This is a dessert by Richard Sax it is flourless, sinks chocolate on cooling, with a fallen centre, filled with cream, delicious !!**

## RUDSTON WOMEN'S INSTITUTE

The September meeting of the Women's W.I. met at 7pm on Tuesday 4th September in Rudston Village Hall, 24 members attended, The President Mrs Jenny Herring who welcomed everyone opened the meeting.

The speaker for the evening was Kerry Jennings from Wiltshire Farm Foods. Kerry demonstrated how easy it was to cook their ready meals in either an oven or microwave. Their range of savouries and sweets is extensive and Kerry just gave us a flavour of a couple. Members enjoyed the sampling and the egg custard went down very well. The next meeting is on 2 October when it will be the Annual Meeting.

If you are interested in joining our W.I. Or would like to come along to one of our meetings you would be most welcome.

Please contact Jenny Herring for further details 01262 420720

## **TRIVIA**

Answer on page 19

Where does the expression "hair of the dog" come from?

- 1) Sixteenth century belief that if one has been bitten by a dog, the best antidote to rabies is to apply to the wound the burnt hairs of the dog in question.
- 2) Thirteenth century doctors would treat the poisoning caused by beer made with impure water by rubbing the stomach of the victim with a dog's pelt soaked in sour beer.
- 3) The werewolf myth; otherwise known as 'once a drinker always a drinker'

The VYPER's are holding a Table Top & Clothes sale on Saturday 6th October. There will be some good quality items for sale including designer clothing and shoes from stores such as NEXT, Lipsy and many more. Tables will be available for £5 (smaller square ones) or £8.00 for the larger tables. The doors will open from 9:30am for people to set up their stalls and will be open to shoppers from 11am till 2pm. We will also be serving refreshments so come down, have a browse of the stalls and enjoy a nice cuppa and cake. If you would like to book a stall please contact Fiona 421991 or Trisha 420313 or any one of the senior youth club members.

We will also be rescheduling the Come Dine With Us event for the end of October, date to be confirmed soon. We would like to apologise to everyone who bought tickets for July, which sadly had to be postponed but hope you will still be able to join us in October.

The members had a day at Billabong water sports centre in August where quite a few managed to stay up on the water skis and most were able to knee board around the lake. Everyone had great fun in the Ringo's to round off a really great day. For once we had beautiful sunshine unlike the rain that we usually get on our visits there.

Some of the young people have been planning a night challenge for the rest of the group, which will probably have taken place by the time you read this newsletter. It will involve finding their way around a walk in the dark, doing various challenges on the way and ending with a camp out.

Although if anything like last year there will be no need for the tents as they all slept under the stars.

We have also been for a civilised meal out at St Quintin Arms, Harpham recently as a reward for the efforts these young people have put into their volunteering over the recent months.

We are always looking for new members so if you are aged 13-19 and like the sound of the above activities come along to the village hall on a Tuesday evening between 7-9pm or talk to one of our members.

There is a service of Holy Communion each Wednesday Morning at 10.30am followed by coffee

On Thursday 1<sup>st</sup> November there will be a Service of Holy Communion at 7pm to celebrate All Saints' Day.

Dear Friends,

Things are starting to pick up in the church events calendar after the longish summer months without special festivals. The Harvest Festival season is getting underway, where we celebrate God's provision of food and thank Him. This time is an opportunity to reflect on where our food comes from who produces it and that link is a lot clearer for those who live here than in built-up areas. This year when I'm singing *all is safely gathered in* I'll also remember the drought of spring, the deluge that followed and those I know struggling with the high cost of

animal feed. A Harvest Festival gives us an opportunity to show support for and thank our farmers (and all who produce our food and milk) in what has been a very challenging year.  
Every harvest blessing, Glyn

# Crosslands Column

Not surprisingly, wind turbines were among the main items in the missed September “column”. Given the publicity it has gained from elsewhere I hardly need mention the Springdale plans now, but suffice to say that the parish council had held a special meeting on 1<sup>st</sup> August to discuss that one. Also for September had been the news that both the next nearest turbine proposals (Tuft Hill and Denby House) had separately gone to the Planning Inspectorate on appeal. At that time, I had noted reading in a national newspaper that the Inspectorate was now over-turning many more “local” planning decisions of all kinds, leading to speculation of our county council’s likely future actions if those were to be passed. At the time of writing the final decision on those is still awaited.

However, the main news this month is the amended Thornholme plans of which everyone will be aware. The proposal now is for 6 turbines instead of 9 with two of them slightly less in height. It was thought that the latter may have been to appease Staxton, but apparently they are “updating” their radar system in order to cope with the presence of wind turbines. According to the papers though, it is Burton Agnes Hall which is the main source of objection. Parish Council response, whether changed or not, will have been submitted by the time this is read, but is not know at the time of writing.

Maybe reflecting national opinion, I’m sure many found those village responses to wind turbines interesting. One of the most important points as raised by the last on the list must be: what happens if and when the government withdraws its subsidies?

To continue previously missed topics. The chance to complete Broadband questionnaires will have passed now, but it was good that there was another chance at a couple of Thursday coffee mornings. The parish council accounts were passed with no comment by the auditor. Then there was a note about NHS maternity services, and any expectant mothers to be aware of all options concerning the birth.

There is a website about that: [www.nhshull.nhs.uk/maternityservicesreview](http://www.nhshull.nhs.uk/maternityservicesreview). I then made a lame joke which is best forgotten(!), but it may be of interest that the Hull & East Riding division is merging with north east and north west to form NHS North of England as from 3<sup>rd</sup> October.

There was then an ordinary parish council meeting on 22<sup>nd</sup> August, at which possible options for the Bosville were discussed, and the open meeting in September noted. There may be a report elsewhere about that, but it should be emphasised that any agreed actions would be taken separately from the parish council. (Though it would offer any possible assistance, of course).

The first week in October looks like being a busy one in the village, but the next parish council meeting is part of it – on the 3<sup>rd</sup> .

Phillip Crossland

(Please note that any opinions expressed in this column are not necessarily those of the Parish Council)
